To modernize copyright law, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE; TABLE OF CONTENTS.

(a) Short Title.—This Act may be cited as the “Music Modernization Act”.

(b) Table of Contents.—The table of contents for this Act is as follows:

Sec. 1. Short title; table of contents.
TITLE I—MUSIC LICENSING MODERNIZATION

SEC. 101. SHORT TITLE.

This title may be cited as the “Musical Works Modernization Act”.

SEC. 102. BLANKET LICENSE FOR DIGITAL USES AND MECHANICAL LICENSING COLLECTIVE.

(a) AMENDMENT.—Section 115 of title 17, United States Code, is amended—

(1) in subsection (a)—

(A) by inserting “IN GENERAL” after “AVAILABILITY AND SCOPE OF COMPULSORY LICENSE”;

(B) by striking paragraph (1) and inserting the following new paragraph:

“(1) ELIGIBILITY FOR COMPULSORY LICENSE.—
“(A) Conditions for compulsory license.—A person may by complying with the provisions of this section obtain a compulsory license to make and distribute phonorecords of a nondramatic musical work, including by means of digital phonorecord delivery. A person may obtain a compulsory license only if the primary purpose in making phonorecords of the musical work is to distribute them to the public for private use, including by means of digital phonorecord delivery, and—

“(i) phonorecords of such musical work have previously been distributed to the public in the United States under the authority of the copyright owner of the work, including by means of digital phonorecord delivery; or

“(ii) in the case of a digital music provider seeking to make and distribute digital phonorecord deliveries of a sound recording embodying a musical work under a compulsory license for which clause (i) does not apply—

“(I) the first fixation of such sound recording was made under the
authority of the musical work copyright owner, and sound recording copyright owner has the authority of the musical work copyright owner to make and distribute digital phonorecord deliveries embodying such work to the public in the United States; and

“(II) the sound recording copyright owner or its authorized distributor has authorized the digital music provider to make and distribute digital phonorecord deliveries of the sound recording to the public in the United States.

“(B) DUPLICATION OF SOUND RECORDING.—A person may not obtain a compulsory license for the use of the work in the making of phonorecords duplicating a sound recording fixed by another, including by means of digital phonorecord delivery, unless—

“(i) such sound recording was fixed lawfully; and

“(ii) the making of the phonorecords was authorized by the owner of the copy-
right in the sound recording or, if the sound recording was fixed before February 15, 1972, by any person who fixed the sound recording pursuant to an express license from the owner of the copyright in the musical work or pursuant to a valid compulsory license for use of such work in a sound recording.”; and

(C) in paragraph (2), by striking “A compulsory license” and inserting “MUSICAL ARRANGEMENT.—A compulsory license”;

(2) by striking subsection (b) and inserting the following:

“(b) PROCEDURES TO OBTAIN A COMPULSORY LICENSE.—

“(1) PHONORECORDS OTHER THAN DIGITAL PHONORECORD DELIVERIES.—A person who seeks to obtain a compulsory license under subsection (a) to make and distribute phonorecords of a musical work other than by means of digital phonorecord delivery shall, before or within 30 calendar days after making, and before distributing, any phonorecord of the work, serve notice of intention to do so on the copyright owner. If the registration or other public records of the Copyright Office do not identify the
copyright owner and include an address at which no-
tice can be served, it shall be sufficient to file the
notice of intention with the Copyright Office. The
notice shall comply, in form, content, and manner of
service, with requirements that the Register of Copy-
rights shall prescribe by regulation.

“(2) DIGITAL PHONORECORD DELIVERIES.—A
person who seeks to obtain a compulsory license
under subsection (a) to make and distribute
phonorecords of a musical work by means of digital
phonorecord delivery—

“(A) prior to the license availability date,
shall, before or within 30 calendar days after
first making any such digital phonorecord deliv-
ery, serve a notice of intention to do so on the
copyright owner (but may not file the notice
with the Copyright Office, even if the public
records of the Office do not identify the owner
or the owner’s address), and such notice shall
comply, in form, content, and manner of serv-
ice, with requirements that the Register of
Copyrights shall prescribe by regulation; or

“(B) on or after the license availability
date, shall, before making any such digital pho-
norecord delivery, follow the procedure de-
scribed in subsection (d)(2), except as provided in paragraph (3).

“(3) Record company individual download licenses.—Notwithstanding paragraph (2)(B), a record company may, on or after the license availability date, obtain an individual download license in accordance with the notice requirements described in paragraph (2)(A) (except for the requirement that notice occur prior to the license availability date). A record company that obtains an individual download license as permitted under this paragraph shall provide statements of account and pay royalties as provided in subsection (c)(2)(I).

“(4) Failure to obtain license.—

“(A) Phonorecords other than digital phonorecord deliveries.—In the case of phonorecords made and distributed other than by means of digital phonorecord delivery, the failure to serve or file the notice of intention required by paragraph (1) forecloses the possibility of a compulsory license under paragraph (1). In the absence of a voluntary license, the failure to obtain a compulsory license renders the making and distribution of phonorecords actionable as acts of infringement under
section 501 and subject to the remedies pro-
vided by sections 502 through 506.

“(B) Digital phonorecord deliv-
eries.—

“(i) In the case of phonorecords made
and distributed by means of digital phono-
record delivery:

“(I) The failure to serve the no-
tice of intention required by para-
graph (2)(A) or paragraph (3), as ap-
plicable, forecloses the possibility of a
compulsory license under such para-
graph.

“(II) The failure to comply with
paragraph (2)(B) forecloses the possi-
bility of a blanket license for a period
of 3 years after the last calendar day
on which the notice of license was re-
quired to be submitted to the mechan-
ical licensing collective under such
paragraph.

“(ii) In either case described in clause
(i), in the absence of a voluntary license,
the failure to obtain a compulsory license
renders the making and distribution of
phonorecords by means of digital phonorecord delivery actionable as acts of infringement under section 501 and subject to the remedies provided by sections 502 through 506.”;

(3) by amending subsection (c) to read as follows:

“(c) General Conditions Applicable to Compulsory License.—

“(1) Royalty payable under compulsory license.—

“(A) Identification requirement.—To be entitled to receive royalties under a compulsory license obtained under subsection (b)(1) the copyright owner must be identified in the registration or other public records of the Copyright Office. The owner is entitled to royalties for phonorecords made and distributed after being so identified, but is not entitled to recover for any phonorecords previously made and distributed.

“(B) Royalty for phonorecords other than digital phonorecord deliveries.—Except as provided by subparagraph (A), for every phonorecord made and distrib-
uted under a compulsory license under sub-
section (a) other than by means of digital pho-
morecord delivery, with respect to each work
embodied in the phonorecord, the royalty shall
be the royalty prescribed under subparagraphs
(D) through (F) and paragraph (2)(A) and
chapter 8 of this title. For purposes of this sub-
paragraph, a phonorecord is considered ‘distrib-
uted’ if the person exercising the compulsory li-
cense has voluntarily and permanently parted
with its possession.

“(C) Royalty for digital phonorecord deliveries.—For every digital phonorecord delivery of a musical work made under
a compulsory license under this section, the royalty payable shall be the royalty prescribed
under subparagraphs (D) through (F) and
paragraph (2)(A) and chapter 8 of this title.

“(D) Authority to negotiate.—Not-
withstanding any provision of the antitrust
laws, any copyright owners of nondramatic mu-
sical works and any persons entitled to obtain
a compulsory license under subsection (a) may
negotiate and agree upon the terms and rates
of royalty payments under this section and the
proportionate division of fees paid among copy-
right owners, and may designate common
agents on a nonexclusive basis to negotiate,
agree to, pay or receive such royalty payments.
Such authority to negotiate the terms and rates
of royalty payments includes, but is not limited
to, the authority to negotiate the year during
which the royalty rates prescribed under this
subparagraph and subparagraphs (E) and (F)
and paragraph (2)(A) and chapter 8 of this
title shall next be determined.

“(E) DETERMINATION OF REASONABLE
rates and terms.—Proceedings under chap-
ter 8 shall determine reasonable rates and
terms of royalty payments for the activities
specified by this section during the period be-
ginning with the effective date of such rates
and terms, but not earlier than January 1 of
the second year following the year in which the
petition requesting the proceeding is filed, and
ending on the effective date of successor rates
and terms, or such other period as the parties
may agree. Any copyright owners of nondra-
matic musical works and any persons entitled
to obtain a compulsory license under subsection
(a) may submit to the Copyright Royalty Judges licenses covering such activities. The parties to each proceeding shall bear their own costs.

“(F) SCHEDULE OF REASONABLE RATES.—The schedule of reasonable rates and terms determined by the Copyright Royalty Judges shall, subject to paragraph (2)(A), be binding on all copyright owners of nondramatic musical works and persons entitled to obtain a compulsory license under subsection (a) during the period specified in subparagraph (E), such other period as may be determined pursuant to subparagraphs (D) and (E), or such other period as the parties may agree. The Copyright Royalty Judges shall establish rates and terms that most clearly represent the rates and terms that would have been negotiated in the marketplace between a willing buyer and a willing seller. In determining such rates and terms for digital phonorecord deliveries, the Copyright Royalty Judges shall base their decision on economic, competitive, and programming information presented by the parties, including—
"(i) whether use of the compulsory licensee's service may substitute for or may promote the sales of phonorecords or otherwise may interfere with or may enhance the musical work copyright owner's other streams of revenue from its musical works; and

"(ii) the relative roles of the copyright owner and the compulsory licensee in the copyrighted work and the service made available to the public with respect to the relative creative contribution, technological contribution, capital investment, cost, and risk.

"(2) ADDITIONAL TERMS AND CONDITIONS.—

"(A) VOLUNTARY LICENSES AND CONTRACTUAL ROYALTY RATES.—

"(i) License agreements voluntarily negotiated at any time between one or more copyright owners of nondramatic musical works and one or more persons entitled to obtain a compulsory license under subsection (a) shall be given effect in lieu of any determination by the Copyright Royalty Judges. Subject to clause (ii), the
royalty rates determined pursuant to sub-
paragraphs (E) and (F) of paragraph (1)
shall be given effect as to digital phono-
record deliveries in lieu of any contrary
royalty rates specified in a contract pursu-
ant to which a recording artist who is the
author of a nondramatic musical work
grants a license under that person’s exclu-
sive rights in the musical work under para-
graphs (1) and (3) of section 106 or com-
mits another person to grant a license in
that musical work under paragraphs (1)
and (3) of section 106, to a person desir-
ing to fix in a tangible medium of expres-
sion a sound recording embodying the mu-
sical work.

“(ii) The second sentence of clause (i)
shall not apply to—

“(I) a contract entered into on or
before June 22, 1995, and not modi-
fied thereafter for the purpose of re-
ducing the royalty rates determined
pursuant to subparagraphs (E) and
(F) of paragraph (1) or of increasing
the number of musical works within
the scope of the contract covered by
the reduced rates, except if a contract
entered into on or before June 22,
1995, is modified thereafter for the
purpose of increasing the number of
musical works within the scope of the
contract, any contrary royalty rates
specified in the contract shall be given
effect in lieu of royalty rates deter-
mined pursuant to subparagraphs (E)
and (F) of paragraph (1) for the
number of musical works within the
scope of the contract as of June 22,
1995; and

“(II) a contract entered into
after the date that the sound record-
ing is fixed in a tangible medium of
expression substantially in a form in-
tended for commercial release, if at
the time the contract is entered into,
the recording artist retains the right
to grant licenses as to the musical
work under paragraphs (1) and (3) of
section 106.
“(B) Sound recording information.—
Except as provided in section 1002(e) of this title, a digital phonorecord delivery licensed under this paragraph shall be accompanied by the information encoded in the sound recording, if any, by or under the authority of the copyright owner of that sound recording, that identifies the title of the sound recording, the featured recording artist who performs on the sound recording, and related information, including information concerning the underlying musical work and its writer.

“(C) Infringement remedies.—
“(i) A digital phonorecord delivery of a sound recording is actionable as an act of infringement under section 501, and is fully subject to the remedies provided by sections 502 through 506, unless—

“(I) the digital phonorecord delivery has been authorized by the sound recording copyright owner; and

“(II) the entity making the digital phonorecord delivery has obtained a compulsory license under subsection (a) or has otherwise been authorized
by the musical work copyright owner,
or by a record company pursuant to
an individual download license, to
make and distribute phonorecords of
each musical work embodied in the
sound recording by means of digital
phonorecord delivery.

“(ii) Any cause of action under this
subparagraph shall be in addition to those
available to the owner of the copyright in
the nondramatic musical work under sub-
paragraph (J) and section 106(4) and the
owner of the copyright in the sound record-
ing under section 106(6).

“(D) LIABILITY OF SOUND RECORDING
OWNERS.—The liability of the copyright owner
of a sound recording for infringement of the
copyright in a nondramatic musical work em-
odied in the sound recording shall be deter-
mined in accordance with applicable law, except
that the owner of a copyright in a sound re-
cording shall not be liable for a digital phono-
record delivery by a third party if the owner of
the copyright in the sound recording does not
license the distribution of a phonorecord of the
nondramatic musical work.

“(E) RECORDING DEVICES AND MEDIA.—
Nothing in section 1008 shall be construed to
prevent the exercise of the rights and remedies
allowed by this paragraph, subparagraph (J),
and chapter 5 in the event of a digital phono-
record delivery, except that no action alleging
infringement of copyright may be brought
under this title against a manufacturer, im-
porter or distributor of a digital audio recording
device, a digital audio recording medium, an
analog recording device, or an analog recording
medium, or against a consumer, based on the
actions described in such section.

“(F) PRESERVATION OF RIGHTS.—Noth-
ing in this section annuls or limits (i) the exclu-
sive right to publicly perform a sound recording
or the musical work embodied therein, including
by means of a digital transmission, under sec-
tions 106(4) and 106(6), (ii) except for compul-
sory licensing under the conditions specified by
this section, the exclusive rights to reproduce
and distribute the sound recording and the mu-
sical work embodied therein under sections
106(1) and 106(3), including by means of a
digital phonorecord delivery, or (iii) any other
rights under any other provision of section 106,
or remedies available under this title, as such
rights or remedies exist either before or after
the date of enactment of the Digital Perform-

“(G) EXEMPT TRANSMISSIONS AND RE-
TRANSMISSIONS.—The provisions of this section
concerning digital phonorecord deliveries shall
not apply to any exempt transmissions or re-
transmissions under section 114(d)(1). The ex-
emptions created in section 114(d)(1) do not
expand or reduce the rights of copyright owners
under section 106(1) through (5) with respect
to such transmissions and retransmissions.

“(H) DISTRIBUTION BY RENTAL, LEASE,
OR LENDING.—A compulsory license obtained
under subsection (b)(1) to make and distribute
phonorecords includes the right of the maker of
such a phonorecord to distribute or authorize
distribution of such phonorecord, other than by
means of a digital phonorecord delivery, by
rental, lease, or lending (or by acts or practices
in the nature of rental, lease, or lending). With
respect to each nondramatic musical work embodied in the phonorecord, the royalty shall be a proportion of the revenue received by the compulsory licensee from every such act of distribution of the phonorecord under this clause equal to the proportion of the revenue received by the compulsory licensee from distribution of the phonorecord under subsection (a)(1)(A)(ii)(II) that is payable by a compulsory licensee under that clause and under chapter 8.

The Register of Copyrights shall issue regulations to carry out the purpose of this clause.

“(I) Payment of royalties and statements of account.—Except as provided in paragraphs (4)(A)(i) and (10)(B) of subsection (d), royalty payments shall be made on or before the twentieth day of each month and shall include all royalties for the month next preceding. Each monthly payment shall be made under oath and shall comply with requirements that the Register of Copyrights shall prescribe by regulation. The Register shall also prescribe regulations under which detailed cumulative annual statements of account, certified by a certified public accountant, shall be filed for every
compulsory license under subsection (a). The regulations covering both the monthly and the annual statements of account shall prescribe the form, content, and manner of certification with respect to the number of records made and the number of records distributed.

“(J) NOTICE OF DEFAULT AND TERMINATION OF COMPULSORY LICENSE.—In the case of a license obtained under subsection (b)(1), (b)(2)(A), or (b)(3), if the copyright owner does not receive the monthly payment and the monthly and annual statements of account when due, the owner may give written notice to the licensee that, unless the default is remedied within thirty days from the date of the notice, the compulsory license will be automatically terminated. Such termination renders either the making or the distribution, or both, of all phonorecords for which the royalty has not been paid, actionable as acts of infringement under section 501 and fully subject to the remedies provided by sections 502 through 506. In the case of a license obtained under subsection (b)(2)(B), license authority under the
compulsory license may be terminated as provided in subsection (d)(4)(E).”;

(4) by amending subsection (d) to read as follows:

“(d) Blanket License for Digital Uses, Mechanical Licensing Collective, and Digital Licensee Coordinator.—

“(1) Blanket License for Digital Uses.—

“(A) In general.—A digital music provider that qualifies for a compulsory license under subsection (a) may, by complying with the terms and conditions of this subsection, obtain a blanket license from copyright owners through the mechanical licensing collective to make and distribute digital phonorecord deliveries of musical works through one or more covered activities.

“(B) Included activities.—A blanket license—

“(i) covers all musical works (or shares of such works) available for compulsory licensing under this section for purposes of engaging in covered activities, except as provided in subparagraph (C);
“(ii) includes the making and distribution of server, intermediate, archival, and incidental reproductions of musical works that are reasonable and necessary for the digital music provider to engage in covered activities licensed under this subsection, solely for the purpose of engaging in such covered activities; and

“(iii) does not cover or include any rights or uses other than those described in clauses (i) and (ii).

“(C) OTHER LICENSES.—A voluntary license for covered activities entered into by or under the authority of one or more copyright owners and one or more digital music providers, or authority to make and distribute permanent downloads of a musical work obtained by a digital music provider from a sound recording copyright owner pursuant to an individual download license, shall be given effect in lieu of a blanket license under this subsection with respect to the musical works (or shares thereof) covered by such voluntary license or individual download authority and the following conditions apply:
“(i) Where a voluntary license or individual download license applies, the license authority provided under the blanket license shall exclude any musical works (or shares thereof) subject to the voluntary license or individual download license.

“(ii) An entity engaged in covered activities under a voluntary license or authority obtained pursuant to an individual download license that is a significant non-blanket licensee shall comply with paragraph (6)(A).

“(iii) The rates and terms of any voluntary license shall be subject to the second sentence of clause (i) and clause (ii) of subsection (e)(2)(A) and paragraph (9)(C), as applicable.

“(D) PROTECTION AGAINST INFRINGEMENT ACTIONS.—A digital music provider that obtains and complies with the terms of a valid blanket license under this subsection shall not be subject to an action for infringement of the exclusive rights provided by paragraphs (1) and (3) of section 106 under this title arising from use of a musical work (or share thereof) to en-
gage in covered activities authorized by such license, subject to paragraph (4)(E).

“(E) Other requirements and conditions apply.—Except as expressly provided in this subsection, each requirement, limitation, condition, privilege, right, and remedy otherwise applicable to compulsory licenses under this section shall apply to compulsory blanket licenses under this subsection.

“(2) Availability of blanket license.—

“(A) Procedure for obtaining license.—A digital music provider may obtain a blanket license by submitting a notice of license to the mechanical licensing collective that specifies the particular covered activities in which the digital music provider seeks to engage, as follows:

“(i) The notice of license shall comply in form and substance with requirements that the Register of Copyrights shall establish by regulation.

“(ii) Unless rejected in writing by the mechanical licensing collective within 30 calendar days after receipt, the blanket license shall be effective as of the date the
notice of license was sent by the digital music provider as shown by a physical or electronic record.

“(iii) A notice of license may only be rejected by the mechanical licensing collective if—

“(I) the digital music provider or notice of license does not meet the requirements of this section or applicable regulations, in which case the requirements at issue shall be specified with reasonable particularity in the notice of rejection; or

“(II) the digital music provider has had a blanket license terminated by the mechanical licensing collective within the past 3 years pursuant to paragraph (4)(E).

“(iv) If a notice of license is rejected under clause (iii)(I), the digital music provider shall have 30 calendar days after receipt of the notice of rejection to cure any deficiency and submit an amended notice of license to the mechanical licensing collective. If the deficiency has been cured,
the mechanical licensing collective shall so confirm in writing, and the license shall be effective as of the date that the original notice of license was provided by the digital music provider.

“(v) A digital music provider that believes a notice of license was improperly rejected by the mechanical licensing collective may seek review of such rejection in Federal district court. The district court shall determine the matter de novo based on the record before the mechanical licensing collective and any additional evidence presented by the parties.

“(B) Blanket License Effective Date.—Blanket licenses shall be made available by the mechanical licensing collective on and after the license availability date. No such license shall be effective prior to the license availability date.

“(3) Mechanical Licensing Collective.—

“(A) In General.—The mechanical licensing collective shall be a single entity that—

“(i) is a nonprofit, not owned by any other entity, that is created by copyright
owners to carry out responsibilities under this subsection;

“(ii) is endorsed by and enjoys substantial support from musical work copyright owners that together represent the greatest percentage of the licensor market for uses of such works in covered activities, as measured over the preceding 3 full calendar years;

“(iii) is able to demonstrate to the Register of Copyrights that it has, or will have prior to the license availability date, the administrative and technological capabilities to perform the required functions of the mechanical licensing collective under this subsection; and

“(iv) has been designated by the Register of Copyrights in accordance with subparagraph (B).

“(B) DESIGNATION OF MECHANICAL LICENSING COLLECTIVE.—

“(i) INITIAL DESIGNATION.—The Register of Copyrights shall initially designate the mechanical licensing collective
within 9 months after the enactment date
as follows:

“(I) Within 90 calendar days
after the enactment date, the Register
shall publish notice in the Federal
Register soliciting information to as-
sist in identifying the appropriate en-
tity to serve as the mechanical licens-
ing collective, including the name and
affiliation of each member of the
board of directors described under
subparagraph (D)(i) and each com-
mittee established pursuant to clauses
(iii), (iv), and (v) of subparagraph
(D).

“(II) After reviewing the infor-
mation requested under subclause (I)
and making a designation, the Reg-
ister shall publish notice in the Fed-
eral Register setting forth the identity
of and contact information for the me-
chanical licensing collective.

“(ii) PERIODIC REVIEW OF DESIGNA-
TION.—Following the initial designation of
the mechanical licensing collective, the
Register shall, every 5 years, beginning with the fifth full calendar year to commence after the initial designation, publish notice in the Federal Register in the month of January soliciting information concerning whether the existing designation should be continued, or a different entity meeting the criteria described in clauses (i) through (iii) of subparagraph (A) shall be designated. Following publication of such notice:

“(I) The Register shall, after reviewing the information submitted and conducting additional proceedings as appropriate, publish notice in the Federal Register of a continuing designation or new designation of the mechanical licensing collective, as the case may be, with any new designation to be effective as of the first day of a month that is no less than 6 months and no longer than 9 months after the date of publication of such notice, as specified by the Register.
“(II) If a new entity is designated as a mechanical licensing collective, the Register shall adopt regulations to govern the transfer of licenses, funds, records, data, and administrative responsibilities from the existing mechanical licensing collective to the new entity.

“(iii) CLOSEST ALTERNATIVE DESIGNATION.—If the Register is unable to identify an entity that fulfills each of the qualifications set forth in clauses (i) through (iii) of subparagraph (A), the Register shall designate the entity that most nearly fulfills such qualifications for purposes of carrying out the responsibilities of the mechanical licensing collective.

“(C) AUTHORITIES AND FUNCTIONS.—

“(i) IN GENERAL.—The mechanical licensing collective is authorized to perform the following functions, subject to more particular requirements as described in this subsection:

“(I) Offer and administer blanket licenses, including receipt of notices of
license and reports of usage from digital music providers.

“(II) Collect and distribute royalties from digital music providers for covered activities.

“(III) Engage in efforts to identify musical works (and shares of such works) embodied in particular sound recordings, and to identify and locate the copyright owners of such musical works (and shares of such works).

“(IV) Maintain the musical works database and other information relevant to the administration of licensing activities under this section.

digital music providers and significant nonblanket licensees, including receipt of notices of nonblanket activity.

“(VII) Invest in relevant resources, and arrange for services of outside vendors and others, to support its activities.

“(ii) ADDITIONAL ADMINISTRATIVE ACTIVITIES.—Subject to paragraph (11)(C) and clause (iii), the mechanical licensing collective may also administer, or assist in administering, voluntary licenses issued by or individual download licenses obtained from copyright owners for uses of musical works, for which the mechanical licensing collective shall charge reasonable fees for such services.

“(iii) RESTRICTION CONCERNING PUBLIC PERFORMANCE RIGHTS.—The mechanical licensing collective may, pursuant to clause (ii), provide administration services with respect to voluntary licenses that in-
clude the right of public performance in
musical works, but may not itself negotiate
or grant licenses for the right of public
performance in musical works, and may
not be the exclusive or nonexclusive as-
signee or grantee of the right of public per-
formance in musical works.

“(iv) Restriction on lobbying.—
The mechanical licensing collective may
not engage in government lobbying activi-
ties, but may engage in the activities de-
scribed in subclauses (IX), (X), and (XI)
of clause (i).

association of digital licensees that represents the greatest percentage of the licensee market for uses of musical works in covered activities, as measured over the preceding 3 full calendar years.

“(V) One nonvoting member shall be a representative of a nationally recognized nonprofit trade association whose primary mission is advocacy on behalf of songwriters in the United States.

“(ii) BOARD MEETINGS.—The board of directors shall meet no less than 2 times per year and discuss matters pertinent to the operations, including the mechanical licensing collective budget.

“(iii) OPERATIONS ADVISORY COMMITTEE.—The board of directors of the mechanical licensing collective shall establish an operations advisory committee consisting of no fewer than 6 members to make recommendations to the board of directors concerning the operations of the mechanical licensing collective, including
the efficient investment in and deployment of information technology and data resources. Such committee shall have an equal number of members of the committee who are—

“(I) musical work copyright owners who are appointed by the board of directors of the mechanical licensing collective; and

“(II) representatives of digital music providers who are appointed by the digital licensee coordinator.

“(iv) UNCLAIMED ROYALTIES OVERSIGHT COMMITTEE.—The board of directors of the mechanical licensing collective shall establish and appoint an unclaimed royalties oversight committee consisting of 10 members, 5 of which shall be musical work copyright owners and 5 of which shall be professional songwriters whose works are used in covered activities.

“(v) DISPUTE RESOLUTION COMMITTEE.—The board of directors of the mechanical licensing collective shall establish and appoint a dispute resolution com-

“(vi) Mechanical licensing col-
lective annual report.—Not later
than June 30 of each year commencing
after the license availability date, the me-
chanical licensing collective shall post, and
make available online for a period of at
least 3 years, an annual report that sets
forth how the collective operates, how roy-
alties are collected and distributed, and the
collective total costs for the preceding cal-
endar year. At the time of posting, a copy
of the report shall be provided to the Reg-
ister of Copyrights.

“(E) Musical works database.—

“(i) Establishment and main-
tenance of database.—The mechanical li-
censing collective shall establish and main-
tain a database containing information re-
lating to musical works (and shares of
such works) and, to the extent known, the
identity and location of the copyright owners of such works (and shares thereof) and the sound recordings in which the musical works are embodied. In furtherance of maintaining such database, the mechanical licensing collective shall engage in efforts to identify the musical works embodied in particular sound recordings, as well as to identify and locate the copyright owners of such works (and shares thereof), and update such data as appropriate.

“(ii) MATCHED WORKS.—With respect to musical works (and shares thereof) that have been matched to copyright owners, the musical works database shall include—

“(I) the title of the musical work;

“(II) the copyright owner of the work (or share thereof), and such owner’s ownership percentage;

“(III) contact information for such copyright owner;

“(IV) to the extent reasonably available to the mechanical licensing collective—
“(aa) the international standard musical work code for the work; and

“(bb) identifying information for sound recordings in which the musical work is embodied, including the name of the sound recording, featured artist, sound recording copyright owner, international standard recording code, and other information commonly used to assist in associating sound recordings with musical works; and

“(V) such other information as the Register of Copyrights may prescribe by regulation.

“(iii) UNMATCHED WORKS.—With respect to unmatched musical works (and shares of works) in the database, the musical works database shall include—

“(I) to the extent reasonably available to the mechanical licensing collective—
“(aa) the title of the musical work;

“(bb) the ownership percentage for which an owner has not been identified;

“(cc) if a copyright owner has been identified but not located, the identity of such owner and such owner’s ownership percentage;

“(dd) identifying information for sound recordings in which the work is embodied, including sound recording name, featured artist, sound recording copyright owner, international standard recording code, and other information commonly used to assist in associating sound recordings with musical works; and

“(ee) any additional information reported to the mechanical licensing collective that may assist in identifying the work; and
“(II) such other information relating to the identity and ownership of musical works (and shares of such works) as the Register of Copyrights may prescribe by regulation.

“(iv) Sound recording information.—Each musical work copyright owner with any musical work listed in the musical works database shall engage in commercially reasonable efforts to deliver to the mechanical licensing collective, including for use in the musical works database, to the extent such information is not then available in the database, information regarding the names of the sound recordings in which that copyright owner’s musical works (or shares thereof) are embodied, to the extent practicable.

“(v) Accessibility of database.—The musical works database shall be made available to members of the public in a searchable, online format, free of charge. The mechanical licensing collective shall make such database available in a bulk, machine-readable format, through a widely
available software application, to the fol-
lowing entities:

“(I) Digital music providers oper-
ating under the authority of valid no-
tures of license, free of charge.

“(II) Significant nonblanket li-
censees in compliance with their obli-
gations under paragraph (6), free of
charge.

“(III) Authorized vendors of the
entities described in subclauses (I)
and (II), free of charge.

“(IV) The Register of Copy-
rights, free of charge (but the Reg-
ister shall not treat such database or
any information therein as a Govern-
ment record).

“(V) Any member of the public,
for a fee not to exceed the marginal
cost to the mechanical licensing collec-
tive of providing the database to such
person.

“(vi) ADDITIONAL REQUIREMENTS.—
The Register of Copyrights shall establish
requirements by regulations to ensure the
usability, interoperability, and usage restrictions of the musical works database.

“(F) Notices of license and non-blanket activity.—

“(i) Notices of licenses.—The mechanical licensing collective shall receive, review, and confirm or reject notices of license from digital music providers, as provided in paragraph (2)(A). The collective shall maintain a current, publicly accessible list of blanket licenses that includes contact information for the licensees and the effective dates of such licenses.

“(ii) Notices of nonblanket activity.—The mechanical licensing collective shall receive notices of nonblanket activity from significant nonblanket licensees, as provided in paragraph (6)(A). The collective shall maintain a current, publicly accessible list of notices of nonblanket activity that includes contact information for significant nonblanket licensees and the dates of receipt of such notices.

“(G) Collection and distribution of royalties.—
“(i) IN GENERAL.—Upon receiving reports of usage and payments of royalties from digital music providers for covered activities, the mechanical licensing collective shall—

“(I) engage in efforts to—

“(aa) identify the musical works embodied in sound recordings reflected in such reports, and the copyright owners of such musical works (and shares thereof);

“(bb) confirm uses of musical works subject to voluntary licenses and individual download licenses, and the corresponding pro rata amounts to be deducted from royalties that would otherwise be due under the blanket license; and

“(cc) confirm proper payment of royalties due;

“(II) distribute royalties to copyright owners in accordance with the usage and other information contained
in such reports, as well as the ownership and other information contained in the records of the collective; and

“(III) deposit into an interest-bearing account, as provided in subparagraph (H)(ii), royalties that cannot be distributed due to—

“(aa) an inability to identify or locate a copyright owner of a musical work (or share thereof); or

“(bb) a pending dispute before the dispute resolution committee of the mechanical licensing collective.

“(ii) OTHER COLLECTION EFFORTS.— Any royalties recovered by the mechanical licensing collective as a result of efforts to enforce rights or obligations under a blanket license, including through a bankruptcy proceeding or other legal action, shall be distributed to copyright owners based on available usage information and in accordance with the procedures described in subclauses (I) and (II) of clause (i), on a pro
rata basis in proportion to the overall percentage recovery of the total royalties owed, with any pro rata share of royalties that cannot be distributed deposited in an interest-bearing account as provided in subparagraph (H)(ii).

“(H) HOLDING OF ACCRUED ROYALTIES.—

“(i) HOLDING PERIOD.—The mechanical licensing collective shall hold accrued royalties associated with particular musical works (and shares of works) that remain unmatched for a period of at least 3 years after the date on which the funds were received by the mechanical licensing collective, or at least 3 years after the date on which they were accrued by a digital music provider that subsequently transferred such funds to the mechanical licensing collective pursuant to paragraph (10)(B), whichever period expires sooner.

“(ii) INTEREST-BEARING ACCOUNT.—Accrued royalties for unmatched works (and shares thereof) shall be maintained by the mechanical licensing collective in an
interest-bearing account that earns monthly interest at the Federal, short-term rate, such interest to accrue for the benefit of copyright owners entitled to payment of such accrued royalties.

“(I) Musical works claiming process.—The mechanical licensing collective shall publicize the existence of accrued royalties for unmatched musical works (and shares of such works) within 6 months of receiving a transfer of accrued royalties for such works by publicly listing the works and the procedures by which copyright owners may identify themselves and provide ownership, contact, and other relevant information to the mechanical licensing collective in order to receive payment of accrued royalties. When a copyright owner of an unmatched work (or share of a work) has been identified and located in accordance with the procedures of the mechanical licensing collective, the collective shall—

“(i) update the musical works database and its other records accordingly; and

“(ii) provided that accrued royalties for the musical work (or share thereof)
have not yet been included in a distribution pursuant to subparagraph (J)(i), pay such accrued royalties and a proportionate amount of accrued interest associated with that work (or share thereof) to the copyright owner, accompanied by a cumulative statement of account reflecting usage of such work and accrued royalties based on information provided by digital music providers to the mechanical licensing collective.

“(J) Distribution of unclaimed accrued royalties.—

“(i) Distribution procedures.— After the expiration of the prescribed holding period for accrued royalties provided in paragraph (H)(i), the mechanical licensing collective shall distribute such accrued royalties, along with a proportionate share of accrued interest, to copyright owners identified in the records of the collective, subject to the following requirements, and in accordance with the policies and procedures established under clause (ii):
“(I) The first such distribution shall occur on or after July 1 of the first full calendar year to commence after the license availability date, with at least one such distribution to take place during each calendar year thereafter.

“(II) Copyright owners’ payment shares for unclaimed accrued royalties for particular reporting periods shall be determined in a transparent and equitable manner based on data indicating the relative market shares of such copyright owners as reflected by royalty payments made by digital music providers for covered activities for the periods in question, including, in addition to royalty payments made to the mechanical licensing collective, royalty payments made to copyright owners under voluntary licenses and individual download licenses for covered activities, to the extent such information is available to the mechanical licensing collective. In furtherance
of the determination of equitable market shares under this subparagraph—

“(aa) the mechanical licensing collective may require copyright owners seeking distributions of unclaimed accrued royalties to provide, or direct the provision of, information concerning royalties received under voluntary licenses and individual download licenses for covered activities, and

“(bb) the mechanical licensing collective shall take appropriate steps to safeguard the confidentiality and security of financial and other sensitive data used to compute market shares in accordance with the confidentiality provisions prescribed by the Register of Copyrights under paragraph (12)(C).

“(ii) Establishment of distribution policies.—The unclaimed royalties oversight committee established under paragraph (3)(D)(iv) shall establish poli-
cies and procedures for the distribution of unclaimed accrued royalties and accrued interest in accordance with this subparagraph, including the provision of usage data to copyright owners to allocate payments and credits to songwriters pursuant to clause (iv), subject to the approval of the board of directors of the mechanical licensing collective.

“(iii) ADVANCE NOTICE OF DISTRIBUTIONS.—The mechanical licensing collective shall publicize a pending distribution of unclaimed accrued royalties and accrued interest at least 90 calendar days in advance of such distribution.

“(iv) SONGWRITER PAYMENTS.—Copyright owners that receive a distribution of unclaimed accrued royalties and accrued interest shall pay or credit a portion to songwriters (or the authorized agents of songwriters) on whose behalf the copyright owners license or administer musical works for covered activities, in accordance with applicable contractual terms, but notwithstanding any agreement to the contrary—
“(I) such payments and credits to songwriters shall be allocated in proportion to reported usage of individual musical works by digital music providers during the reporting periods covered by the distribution from the mechanical licensing collective; and

“(II) in no case shall the payment or credit to an individual songwriter be less than 50 percent of the payment received by the copyright owner attributable to usage of musical works (or shares of works) of that songwriter.

“(K) Dispute Resolution.—The dispute resolution committee established under paragraph (3)(D)(v) shall address and resolve in a timely and equitable manner disputes among copyright owners relating to ownership interests in musical works licensed under this section and allocation and distribution of royalties by the mechanical licensing collective, according to a process approved by the board of directors of the mechanical licensing collective. Such process—
“(i) shall include a mechanism to hold disputed funds in accordance with the requirements described in subparagraph (H)(ii) pending resolution of the dispute; and

“(ii) except as provided in paragraph (11)(D), shall not affect any legal or equitable rights or remedies available to any copyright owner or songwriter concerning ownership of, and entitlement to royalties for, a musical work.

“(L) VERIFICATION OF PAYMENTS BY MECHANICAL LICENSING COLLECTIVE.—

“(i) VERIFICATION PROCESS.—A copyright owner entitled to receive payments of royalties for covered activities from the mechanical licensing collective may, individually or with other copyright owners, conduct an audit of the mechanical licensing collective to verify the accuracy of royalty payments by the mechanical licensing collective to such copyright owner, as follows:

“(I) A copyright owner may audit the mechanical licensing collec-
tive only once in a year for any or all of the prior 3 calendar years, and may not audit records for any calendar year more than once.

“(II) The audit shall be conducted by a qualified auditor, who shall perform the audit during the ordinary course of business by examining the books, records, and data of the mechanical licensing collective, according to generally accepted auditing standards and subject to applicable confidentiality requirements prescribed by the Register of Copyrights under paragraph (12)(C).

“(III) The mechanical licensing collective shall make such books, records, and data available to the qualified auditor and respond to reasonable requests for relevant information, and shall use commercially reasonable efforts to facilitate access to relevant information maintained by third parties.
“(IV) To commence the audit, any copyright owner shall file with the Copyright Office a notice of intent to conduct an audit of the mechanical licensing collective, identifying the period of time to be audited, and shall simultaneously deliver a copy of such notice to the mechanical licensing collective. The Register of Copyrights shall cause the notice of audit to be published in the Federal Register within 45 calendar days after receipt.

“(V) The qualified auditor shall determine the accuracy of royalty payments, including whether an underpayment or overpayment of royalties was made by the mechanical licensing collective to each auditing copyright owner, but before providing a final audit report to any such copyright owner, the qualified auditor shall provide a tentative draft of the report to the mechanical licensing collective and allow the mechanical licensing collective a reasonable opportunity to re-
spond to the findings, including by clarifying issues and correcting factual errors.

“(VI) The auditing copyright owner or owners shall bear the cost of the audit. In case of an underpayment to any copyright owner, the mechanical licensing collective shall pay the amounts of any such underpayment to such auditing copyright owner, as appropriate. In case of an overpayment by the mechanical licensing collective, the mechanical licensing collective may debit the account of the auditing copyright owner or owners for such overpaid amounts, or such owner(s) shall refund overpaid amounts to the mechanical licensing collective, as appropriate.

“(ii) ALTERNATIVE VERIFICATION PROCEDURES.—Nothing in this subparagraph shall preclude a copyright owner and the mechanical licensing collective from agreeing to audit procedures different from those described herein, but a notice of the
audit shall be provided to and published by the Copyright Office as described in clause (i)(IV).

“(M) RECORDS OF MECHANICAL LICENSING COLLECTIVE.—

“(i) RECORDS MAINTENANCE.—The mechanical licensing collective shall ensure that all material records of its operations, including those relating to notices of license, the administration of its claims process, reports of usage, royalty payments, receipt and maintenance of accrued royalties, royalty distribution processes, and legal matters, are preserved and maintained in a secure and reliable manner, with appropriate commercially reasonable safeguards against unauthorized access, copying, and disclosure, and subject to the confidentiality requirements prescribed by the Register of Copyrights under paragraph (12)(C) for a period of no less than 7 years after the date of creation or receipt, whichever occurs later.

“(ii) RECORDS ACCESS.—The mechanical licensing collective shall provide
prompt access to electronic and other records pertaining to the administration of a copyright owner’s musical works upon reasonable written request of such owner or the owner’s authorized representative.

“(4) TERMS AND CONDITIONS OF BLANKET LICENSE.—A blanket license is subject to, and conditioned upon, the following requirements:

“(A) ROYALTY REPORTING AND PAYMENTS.—

“(i) MONTHLY REPORTS AND PAYMENT.—A digital music provider shall report and pay royalties to the mechanical licensing collective under the blanket license on a monthly basis in accordance with clause (ii) and subsection (c)(2)(I), but the monthly reporting shall be due 45 calendar days, rather than 20 calendar days, after the end of the monthly reporting period.

“(ii) DATA TO BE REPORTED.—In reporting usage of musical works to the mechanical licensing collective, a digital music provider shall provide usage data for musical works used under the blanket license and usage data for musical works used in
covered activities under voluntary licenses and individual download licenses. In the report of usage, the digital music provider shall—

“(I) with respect to each sound recording embodying a musical work—

“(aa) provide identifying information for the sound recording, including sound recording name, featured artist, and, to the extent reasonably available to the digital music provider, sound recording copyright owner, international standard recording code, and other information commonly used in the industry to identify sound recordings and match them to the musical works the sound recordings embody;

“(bb) to the extent reasonably available to the digital music provider, provide information concerning authorship and ownership of the applicable rights in
the musical work embodied in the
sound recording (including each
songwriter, publisher name, and
respective ownership share) and
the international standard musi-
cal work code; and

“(ee) provide the number of
digital phonorecord deliveries of
the sound recording, including
limited downloads and interactive
streams;

“(II) identify and provide contact
information for all musical work copy-
right owners for works embodied in
sound recordings as to which a vol-
untary license, rather than the blan-
ket license, is in effect with respect to
the uses being reported; and

“(III) provide such other infor-
mation as the Register of Copyrights
shall require by regulation.

“(iii) FORMAT AND MAINTENANCE OF
REPORTS.—Reports of usage provided by
digital music providers to the mechanical
licensing collective shall be in a machine-
readable format that is compatible with the information technology systems of the mechanical licensing collective and meets the requirements of regulations adopted by the Register of Copyrights. The Register shall also adopt regulations setting forth requirements under which records of use shall be maintained and made available to the mechanical licensing collective by digital music providers engaged in covered activities under a blanket license.

“(iv) ADOPTION OF REGULATIONS.—The Register shall adopt regulations—

“(I) setting forth requirements under which records of use shall be maintained and made available to the mechanical licensing collective by digital music providers engaged in covered activities under a blanket license; and

“(II) regarding adjustments to reports of usage by digital music providers, including mechanisms to account for overpayment and underpayment of royalties in prior periods.
“(B) Collection of sound recording information.—A digital music provider shall engage in good-faith, commercially reasonable efforts to obtain from copyright owners of sound recordings made available through the service of such digital music provider—

“(i) sound recording copyright owners, international standard recording codes, and other information commonly used in the industry to identify sound recordings and match them to the musical works the sound recordings embody; and

“(ii) information concerning the authorship and ownership of musical works, including songwriters, publisher names, ownership shares, and international standard musical work codes.

“(C) Payment of administrative assessment.—A digital music provider and any significant nonblanket licensee shall pay the administrative assessment established under paragraph (7)(D) in accordance with this subsection and applicable regulations.

“(D) Verification of payments by digital music providers.—
“(i) Verification process.—The mechanical licensing collective may conduct an audit of a digital music provider operating under the blanket license to verify the accuracy of royalty payments by the digital music provider to the mechanical licensing collective as follows:

“(I) The mechanical licensing collective may commence an audit of a digital music provider no more than once in any 3-calendar-year period to cover a verification period of no more than the 3 full calendar years preceding the date of commencement of the audit, and such audit may not audit records for any such 3-year verification period more than once.

“(II) The audit shall be conducted by a qualified auditor, who shall perform the audit during the ordinary course of business by examining the books, records, and data of the digital music provider, according to generally accepted auditing standards and subject to applicable con-
fidentiality requirements prescribed by
the Register of Copyrights under
paragraph (12)(C).

“(III) The digital music provider
shall make such books, records, and
data available to the qualified auditor
and respond to reasonable requests
for relevant information, and shall use
commercially reasonable efforts to
provide access to relevant information
maintained with respect to a digital
music provider by third parties.

“(IV) To commence the audit,
the mechanical licensing collective
shall file with the Copyright Office a
notice of intent to conduct an audit of
the digital music provider, identifying
the period of time to be audited, and
shall simultaneously deliver a copy of
such notice to the digital music pro-
vider. The Register of Copyrights
shall cause the notice of audit to be
published in the Federal Register
within 45 calendar days after receipt.
“(V) The qualified auditor shall determine the accuracy of royalty payments, including whether an underpayment or overpayment of royalties was made by the digital music provider to the mechanical licensing collective, but before providing a final audit report to the mechanical licensing collective, the qualified auditor shall provide a tentative draft of the report to the digital music provider and allow the digital music provider a reasonable opportunity to respond to the findings, including by clarifying issues and correcting factual errors.

“(VI) The mechanical licensing collective shall pay the cost of the audit, unless the qualified auditor determines that there was an underpayment by the digital music provider of 10 percent or more, in which case the digital music provider shall bear the reasonable costs of the audit, in addition to paying the amount of any underpayment to the mechanical li-
licensing collective. In case of an overpayment by the digital music provider, the mechanical licensing collective shall provide a credit to the account of the digital music provider.

“(VII) A digital music provider may not assert section 507 or any other Federal or State statute of limitations, doctrine of laches or estoppel, or similar provision as a defense to a legal action arising from an audit under this subparagraph if such legal action is commenced no more than 6 years after the commencement of the audit that is the basis for such action.

“(ii) Alternative Verification Procedures.—Nothing in this subparagraph shall preclude the mechanical licensing collective and a digital music provider from agreeing to audit procedures different from those described herein, but a notice of the audit shall be provided to and published by the Copyright Office as described in clause (i)(IV).
“(E) Default under blanket license.—

“(i) Conditions of default.—A digital music provider shall be in default under a blanket license if the digital music provider—

“(I) fails to provide one or more monthly reports of usage to the mechanical licensing collective when due;

“(II) fails to make a monthly royalty or late fee payment to the mechanical licensing collective when due, in all or material part;

“(III) provides one or more monthly reports of usage to the mechanical licensing collective that, on the whole, is or are materially deficient as a result of inaccurate, missing, or unreadable data, where the correct data was available to the digital music provider and required to be reported under this section and applicable regulations;

“(IV) fails to pay the administrative assessment as required under this
subsection and applicable regulations;
or

“(V) after being provided written notice by the mechanical licensing collective, refuses to comply with any other material term or condition of the blanket license under this section for a period of 60 calendar days or longer.

“(ii) NOTICE OF DEFAULT AND TERMINATION.—In case of a default by a digital music provider, the mechanical licensing collective may proceed to terminate the blanket license of the digital music provider as follows:

“(I) The mechanical licensing collective shall provide written notice to the digital music provider describing with reasonable particularity the default and advising that unless such default is cured within 60 calendar days after the date of the notice, the blanket license will automatically terminate at the end of that period.
“(II) If the digital music provider fails to remedy the default within the 60-day period referenced in subclause (I), the license shall terminate without any further action on the part of the mechanical licensing collective. Such termination renders the making of all digital phonorecord deliveries of all musical works (and shares thereof) covered by the blanket license for which the royalty or administrative assessment has not been paid actionable as acts of infringement under section 501 and subject to the remedies provided by sections 502 through 506.

“(iii) NOTICE TO COPYRIGHT OWNERS.—The mechanical licensing collective shall provide written notice of any termination under this subparagraph to copyright owners of affected works.

“(iv) REVIEW BY FEDERAL DISTRICT COURT.—A digital music provider that believes a blanket license was improperly terminated by the mechanical licensing collec-
tive may seek review of such termination in
Federal district court. The district court
shall determine the matter de novo based
on the record before the mechanical licens-
ing collective and any additional sup-
porting evidence presented by the parties.

“(5) DIGITAL LICENSEE COORDINATOR.—

“(A) IN GENERAL.—The digital licensee
coordinator shall be a single entity that—

“(i) is a nonprofit, not owned by any
other entity, that is created to carry out
responsibilities under this subsection;

“(ii) is endorsed by and enjoys sub-
stantial support from digital music pro-
viders and significant nonblanket licensees
that together represent the greatest per-
centage of the licensee market for uses of
musical works in covered activities, as
measured over the preceding 3 calendar
years;

“(iii) is able to demonstrate that it
has, or will have prior to the license avail-
ability date, the administrative capabilities
to perform the required functions of the
digital licensee coordinator under this subsection; and

“(iv) has been designated by the Register of Copyrights in accordance with subparagraph (B).

“(B) DESIGNATION OF DIGITAL LICENSEE COORDINATOR.—

“(i) INITIAL DESIGNATION.—The Register of Copyrights shall initially designate the digital licensee coordinator within 9 months after the enactment date, in accordance with the same procedure described for designation of the mechanical licensing collective in paragraph (3)(B)(i).

“(ii) PERIODIC REVIEW OF DESIGNATION.—Following the initial designation of the digital licensee coordinator, the Register shall, every 5 years, beginning with the fifth full calendar year to commence after the initial designation, determine whether the existing designation should be continued, or a different entity meeting the criteria described in clauses (i) through (iii) of subparagraph (A) should be designated, in accordance with the same pro-
procedure described for the mechanical licensing collective in paragraph (3)(B)(ii).

“(iii) INABILITY TO DESIGNATE.—If the Register is unable to identify an entity that fulfills each of the qualifications described in clauses (i) through (iii) of subparagraph (A) to serve as the digital licensee coordinator, the Register may decline to designate a digital licensee coordinator. The Register’s determination not to designate a digital licensee coordinator shall not negate or otherwise affect any provision of this subsection except to the limited extent that a provision references the digital licensee coordinator. In such case, the reference to the digital licensee coordinator shall be without effect unless and until a new digital licensee coordinator is designated.

“(C) AUTHORITIES AND FUNCTIONS.—

“(i) IN GENERAL.—The digital licensee coordinator is authorized to perform the following functions, subject to more particular requirements as described in this subsection:
“(I) Establish a governance structure, criteria for membership, and any dues to be paid by its members.

“(II) Engage in efforts to enforce notice and payment obligations with respect to the administrative assessment, including by receiving information from and coordinating with the mechanical licensing collective.

“(III) Initiate and participate in proceedings before the Copyright Royalty Judges to establish the administrative assessment under this subsection.

“(IV) Initiate and participate in proceedings before the Copyright Office with respect to activities under this subsection.

“(V) Gather and provide documentation for use in proceedings before the Copyright Royalty Judges to set rates and terms under this section.

“(VI) Maintain records of its activities.
“(VII) Engage in such other activities as may be necessary or appropriate to fulfill its responsibilities under this subsection.

“(ii) Restriction on lobbying.—

The digital licensee coordinator may not engage in government lobbying activities, but may engage in the activities described in subclauses (III), (IV), and (V) of clause (i).

“(6) Requirements for significant nonblanket licensees.—

“(A) In general.—

“(i) Notice of activity.—Not later than 45 calendar days after the license availability date, or 45 calendar days after the end of the first full calendar month in which an entity initially qualifies as a significant nonblanket licensee, whichever occurs later, a significant nonblanket licensee shall submit a notice of nonblanket activity to the mechanical licensing collective. The notice of nonblanket activity shall comply in form and substance with requirements that the Register of Copyrights shall estab-
lish by regulation, and a copy shall be made available to the digital licensee coordinator.

“(ii) Reporting and payment obligations.—The notice of nonblanket activity submitted to the mechanical licensing collective shall be accompanied by a report of usage that contains the information described in paragraph (4)(A)(ii), as well as any payment of the administrative assessment required under this subsection and applicable regulations. Thereafter, subject to clause (iii), a significant nonblanket licensee shall continue to provide monthly reports of usage, accompanied by any required payment of the administrative assessment, to the mechanical licensing collective. Such reports and payments shall be submitted not later than 45 calendar days after the end of the calendar month being reported.

“(iii) Discontinuation of obligations.—An entity that has submitted a notice of nonblanket activity to the mechanical licensing collective that has ceased
to qualify as a significant nonblanket licensee may so notify the collective in writing. In such case, as of the calendar month in which such notice is provided, such entity shall no longer be required to provide reports of usage or pay the administrative assessment, but if such entity later qualifies as a significant nonblanket licensee, such entity shall again be required to comply with clauses (i) and (ii).

“(B) Reporting by mechanical licensing collective to digital licensee coordinator.—

“(i) Monthly reports of non-compliant licensees.—The mechanical licensing collective shall provide monthly reports to the digital licensee coordinator setting forth any significant nonblanket licensees of which the collective is aware that have failed to comply with subparagraph (A).

“(ii) Treatment of confidential information.—The mechanical licensing collective and digital licensee coordinator shall take appropriate steps to safeguard
the confidentiality and security of financial
and other sensitive data shared under this
subparagraph, in accordance with the con-
fidentiality requirements prescribed by the
Register of Copyrights under paragraph
(12)(C).

“(C) LEGAL ENFORCEMENT EFFORTS.—

“(i) FEDERAL COURT ACTION.—
Should the mechanical licensing collective
or digital licensee coordinator become
aware that a significant nonblanket li-
censee has failed to comply with subpara-
graph (A), either may commence an action
in Federal district court for damages and
injunctive relief. If the significant non-
blanket licensee is found liable, the court
shall, absent a finding of excusable neglect,
award damages in an amount equal to
three times the total amount of the unpaid
administrative assessment and, notwith-
standing anything to the contrary in sec-
tion 505, reasonable attorney’s fees and
costs, as well as such other relief as the
court deems appropriate. In all other
cases, the court shall award relief as ap-
propriate. Any recovery of damages shall be payable to the mechanical licensing collective as an offset to the collective total costs.

“(ii) Statute of Limitations for Enforcement Action.—Any action described in this subparagraph shall be commenced within the time period described in section 507(b).

“(iii) Other Rights and Remedies Preserved.—The ability of the mechanical licensing collective or digital licensee coordinator to bring an action under this subparagraph shall in no way alter, limit or negate any other right or remedy that may be available to any party at law or in equity.

“(7) Funding of Mechanical Licensing Collective.—

“(A) In General.—The collective total costs shall be funded by—

“(i) an administrative assessment, as such assessment is established by the Copyright Royalty Judges pursuant to sub-
paragraph (D) from time to time, to be
paid by—

“(I) digital music providers that
are engaged, in all or in part, in cov-
ered activities pursuant to a blanket
license; and

“(II) significant nonblanket li-
censees; and

“(ii) voluntary contributions from dig-
ital music providers and significant non-
blanket licensees as may be agreed with
copyright owners.

“(B) VOLUNTARY CONTRIBUTIONS.—

“(i) AGREEMENTS CONCERNING CON-
TRIBUTIONS.—Except as provided in
clause (ii), voluntary contributions by dig-
ital music providers and significant non-
blanket licensees shall be determined by
private negotiation and agreement, and the
following conditions apply:

“(I) The date and amount of
each voluntary contribution to the me-
chanical licensing collective shall be
documented in a writing signed by an
authorized agent of the mechanical li-
censing collective and the contributing party.

“(II) Such agreement shall be made available as required in proceedings before the Copyright Royalty Judges to establish or adjust the administrative assessment in accordance with applicable statutory and regulatory provisions and rulings of the Copyright Royalty Judges.

“(ii) Treatment of Contributions.—Each such voluntary contribution shall be treated for purposes of an administrative assessment proceeding as an offset to the collective total costs that would otherwise be recovered through the administrative assessment. Any allocation or reallocation of voluntary contributions between or among individual digital music providers or significant nonblanket licensees shall be a matter of private negotiation and agreement among such parties and outside the scope of the administrative assessment proceeding.
“(C) INTERIM APPLICATION OF ACCRUED
ROYALTIES.—In the event that the administra-
tive assessment, together with any funding from
voluntary contributions as provided in subpara-
graphs (A) and (B), is inadequate to cover cur-
rent collective total costs, the collective, with
approval of its board of directors, may apply
unclaimed accrued royalties on an interim basis
to defray such costs, subject to future reim-
bursement of such royalties from future collec-
tions of the assessment.

“(D) DETERMINATION OF ADMINISTRA-
TIVE ASSESSMENT.—

“(i) ADMINISTRATIVE ASSESSMENT TO
COVER COLLECTIVE TOTAL COSTS.—The
administrative assessment shall be used
solely and exclusively to fund the collective
total costs.

“(ii) SEPARATE PROCEEDING BEFORE
COPYRIGHT ROYALTY JUDGES.—The
amount and terms of the administrative
assessment shall be determined and estab-
lished in a separate and independent pro-
ceeding before the Copyright Royalty
Judges, according to the procedures de-
scribed in clauses (iii) and (iv). The administrative assessment determined in such proceeding shall—

“(I) be wholly independent of royalty rates and terms applicable to digital music providers, which shall not be taken into consideration in any manner in establishing the administrative assessment;

“(II) be established by the Copyright Royalty Judges in an amount that is calculated to defray the reasonable collective total costs;

“(III) be assessed based on usage of musical works by digital music providers and significant nonblanket licensees in covered activities under both compulsory and nonblanket licenses;

“(IV) may be in the form of a percentage of royalties payable under this section for usage of musical works in covered activities (regardless of whether a different rate applies under a voluntary license), or any
other usage-based metric reasonably calculated to equitably allocate the collective total costs across digital music providers and significant non-blanket licensees engaged in covered activities, but shall include as a component a minimum fee for all digital music providers and significant non-blanket licensees; and

“(V) take into consideration anticipated future collective total costs and collections of the administrative assessment, but also, as applicable—

“(aa) any portion of past actual collective total costs of the mechanical licensing collective not funded by previous collections of the administrative assessment or voluntary contributions because such collections or contributions together were insufficient to fund such costs;

“(bb) any past collections of the administrative assessment and voluntary contributions that
exceeded past actual collective total costs, resulting in a surplus; and

“(cc) the amount of any voluntary contributions by digital music providers or significant nonblanket licensees in relevant periods, described in subparagraphs (A) and (B) of paragraph (7).

“(iii) INITIAL ADMINISTRATIVE ASSESSMENT.—The procedure for establishing the initial administrative assessment shall be as follows:

“(I) The Copyright Royalty Judges shall commence a proceeding to establish the initial administrative assessment within 9 months after the enactment date by publishing a notice in the Federal Register seeking petitions to participate.

“(II) The mechanical licensing collective and digital licensee coordinator shall participate in such proceeding, along with any interested
copyright owners, digital music providers or significant nonblanket licensees that have notified the Copyright Royalty Judges of their desire to participate.

“(III) The Copyright Royalty Judges shall establish a schedule for submission by the parties of information that may be relevant to establishing the administrative assessment, including actual and anticipated collective total costs of the mechanical licensing collective, actual and anticipated collections from digital music providers and significant nonblanket licensees, and documentation of voluntary contributions, as well as a schedule for further proceedings, which shall include a hearing, as they deem appropriate.

“(IV) The initial administrative assessment shall be determined, and such determination shall be published in the Federal Register by the Copyright Royalty Judges, within 1 year
after commencement of the proceeding
described in this clause. The deter-
mination shall be supported by a writ-
ten record. The initial administrative
assessment shall be effective as of the
license availability date, and shall con-
tinue in effect unless and until an ad-
justed administrative assessment is
established pursuant to an adjustment
proceeding under clause (iii).

“(iv) Adjustment of Administrative
Assessment.—The administrative
assessment may be adjusted by the Copy-
right Royalty Judges periodically, in ac-
cordance with the following procedures:

“(I) No earlier than one year
after the most recent publication of a
determination of the administrative
assessment by the Copyright Royalty
Judges, the mechanical licensing col-
lective, the digital licensee coordi-
nator, or one or more interested copy-
right owners, digital music providers,
or significant nonblanket licensees,
may file a petition with the Copyright
Royalty Judges in the month of October to commence a proceeding to adjust the administrative assessment.

“(II) Notice of the commencement of such proceeding shall be published in the Federal Register in the month of November following the filing of any petition, with a schedule of requested information and additional proceedings, as described in clause (iii)(III). The mechanical licensing collective and digital licensee coordinator shall participate in such proceeding, along with any interested copyright owners, digital music providers, or significant nonblanket licensees that have notified the Copyright Royalty Judges of their desire to participate.

“(III) The determination of the adjusted administrative assessment, which shall be supported by a written record, shall be published in the Federal Register during November of the calendar year following the commence-
ment of the proceeding. The adjusted administrative assessment shall take effect January 1 of the year following such publication.

“(v) ADOPTION OF VOLUNTARY AGREEMENTS.—In lieu of reaching their own determination based on evaluation of relevant data, the Copyright Royalty Judges shall approve and adopt a negotiated agreement to establish the amount and terms of the administrative assessment that has been agreed to by the mechanical licensing collective and the digital licensee coordinator (or if none has been designated, interested digital music providers and significant nonblanket licensees representing more than half of the market for uses of musical works in covered activities), but the Copyright Royalty Judges shall have the discretion to reject any such agreement for good cause shown. An administrative assessment adopted under this clause shall apply to all digital music providers and significant nonblanket licensees
engaged in covered activities during the period it is in effect.

“(vi) CONTINUING AUTHORITY TO AMEND.—The Copyright Royalty Judges shall retain continuing authority to amend a determination of an administrative assessment to correct technical or clerical errors, or modify the terms of implementation, for good cause, with any such amendment to be published in the Federal Register.

“(vii) APPEAL OF ADMINISTRATIVE ASSESSMENT.—The determination of an administrative assessment by the Copyright Royalty Judges shall be appealable, within 30 calendar days after publication in the Federal Register, to the Court of Appeals for the District of Columbia Circuit by any party that fully participated in the proceeding. The administrative assessment as established by the Copyright Royalty Judges shall remain in effect pending the final outcome of any such appeal, and the mechanical licensing collective, digital licensee coordinator, digital music pro-
viders, and significant nonblanket licensees shall implement appropriate financial or other measures within 3 months after any modification of the assessment to reflect and account for such outcome.

“(viii) Regulations.—The Copyright Royalty Judges may adopt regulations to govern the conduct of proceedings under this paragraph.

“(8) Establishment of Rates and Terms under Blanket License.—

“(A) Restrictions on Rate Setting Participation.—Neither the mechanical licensing collective nor the digital licensee coordinator shall be a party to a proceeding described in subsection (e)(1)(E), but either may gather and provide financial and other information for the use of a party to such a proceeding and comply with requests for information as required under applicable statutory and regulatory provisions and rulings of the Copyright Royalty Judges.

“(B) Application of Late Fees.—In any proceeding described in subparagraph (A) in which the Copyright Royalty Judges estab-
lish a late fee for late payment of royalties for uses of musical works under this section, such fee shall apply to covered activities under blanket licenses, as follows:

“(i) Late fees for past due royalty payments shall accrue from the due date for payment until payment is received by the mechanical licensing collective.

“(ii) The availability of late fees shall in no way prevent a copyright owner or the mechanical licensing collective from asserting any other rights or remedies to which such copyright owner or the mechanical licensing collective may be entitled under this title.

“(C) INTERIM RATE AGREEMENTS IN GENERAL.—For any covered activity for which no rate or terms have been established by the Copyright Royalty Judges, the mechanical licensing collective and any digital music provider may agree to an interim rate and terms for such activity under the blanket license, and any such rate and terms—

“(i) shall be treated as nonprecedential and not cited or relied upon in any
ratesetting proceeding before the Copyright
Royalty Judges or any other tribunal; and

“(ii) shall automatically expire upon
the establishment of a rate and terms for
such covered activity by the Copyright
Royalty Judges, under subsection
(c)(1)(E).

“(D) ADJUSTMENTS FOR INTERIM
RATES.—The rate and terms established by the
Copyright Royalty Judges for a covered activity
to which an interim rate and terms have been
agreed under subparagraph (C) shall supersede
the interim rate and terms and apply retro-
actively to the inception of the activity under
the blanket license. In such case, within 3
months after the rate and terms established by
the Copyright Royalty Judges become effec-
tive—

“(i) if the rate established by the
Copyright Royalty Judges exceeds the in-
terim rate, the digital music provider shall
pay to the mechanical licensing collective
the amount of any underpayment of royal-
ties due; or
“(ii) if the interim rate exceeds the rate established by the Copyright Royalty Judges, the mechanical licensing collective shall credit the account of the digital music provider for the amount of any overpayment of royalties due.

“(9) TRANSITION TO BLANKET LICENSES.—

“(A) SUBSTITUTION OF BLANKET LICENSE.—On the license availability date, a blanket license shall, without any interruption in license authority enjoyed by such digital music provider, be automatically substituted for and supersede any existing compulsory license previously obtained under this section by the digital music provider from a copyright owner to engage in one or more covered activities with respect to a musical work, but the foregoing shall not apply to any authority obtained from a record company pursuant to a compulsory license to make and distribute permanent downloads unless and until such record company terminates such authority in writing to take effect at the end of a monthly reporting period, with a copy to the mechanical licensing collective.
“(B) Expiration of Existing Licenses.—Except to the extent provided in subparagraph (A), on and after the license availability date, licenses other than individual download licenses obtained under this section for covered activities prior to the license availability date shall no longer continue in effect.

“(C) Treatment of Voluntary Licenses.—A voluntary license for a covered activity in effect on the license availability date will remain in effect unless and until the voluntary license expires according to the terms of the voluntary license, or the parties agree to amend or terminate the voluntary license. In a case where a voluntary license for a covered activity entered into before the license availability date incorporates the terms of this section by reference, the terms so incorporated (but not the rates) shall be those in effect immediately prior to the license availability date, and those terms shall continue to apply unless and until such voluntary license is terminated or amended, or the parties enter into a new voluntary license.
“(D) Further acceptance of notices for covered activities by Copyright Office.—On and after the enactment date—

“(i) the Copyright Office shall no longer accept notices of intention with respect to covered activities; and

“(ii) previously filed notices of intention will no longer be effective or provide license authority with respect to covered activities, but before the license availability date there shall be no liability under section 501 for the reproduction or distribution of a musical work (or share thereof) in covered activities if a valid notice of intention was filed for such work (or share) before the enactment date.

“(10) Prior unlicensed uses.—

“(A) Limitation on liability in general.—A copyright owner that commences an action under section 501 on or after January 1, 2018, against a digital music provider for the infringement of the exclusive rights provided by paragraph (1) or (3) of section 106 arising from the unauthorized reproduction or distribution of a musical work by such digital music
provider in the course of engaging in covered activities prior to the license availability date, shall, as the copyright owner’s sole and exclusive remedy against the digital music provider, be eligible to recover the royalty prescribed under subsection (c)(1)(C) and chapter 8 of this title, from the digital music provider, provided that such digital music provider can demonstrate compliance with the requirements of subparagraph (B), as applicable. In all other cases the limitation on liability under this subparagraph shall not apply.

“(B) REQUIREMENTS FOR LIMITATION ON LIABILITY.—The following requirements shall apply on the enactment date and through the end of the period that expires 90 days after the license availability date to digital music providers seeking to avail themselves of the limitation on liability described in subparagraph (A):

“(i) No later than 30 calendar days after first making a particular sound recording of a musical work available through its service via one or more covered activities, or 30 calendar days after the enactment date, whichever occurs later, a
digital music provider shall engage in
good-faith, commercially reasonable efforts
to identify and locate each copyright owner
of such musical work (or share thereof).
Such required matching efforts shall in-
clude the following:

“(I) Good-faith, commercially
reasonable efforts to obtain from the
owner of the corresponding sound re-
cording made available through the
digital music provider’s service the fol-
lowing information:

“(aa) Sound recording
name, featured artist, sound re-
cording copyright owner, inter-
national standard recording code,
and other information commonly
used in the industry to identify
sound recordings and match
them to the musical works they
embody.

“(bb) Any available musical
work ownership information, in-
cluding each songwriter and pub-
lisher name, percentage owner-
ship share, and international standard musical work code.

“(II) Employment of one or more bulk electronic matching processes that are available to the digital music provider through a third-party vendor on commercially reasonable terms, but a digital music provider may rely on its own bulk electronic matching process if it has capabilities comparable to or better than those available from a third-party vendor on commercially reasonable terms.

“(ii) The required matching efforts shall be repeated by the digital music provider no less than once per month for so long as the copyright owner remains unidentified or has not been located.

“(iii) If the required matching efforts are successful in identifying and locating a copyright owner of a musical work (or share thereof) by the end of the calendar month in which the digital music provider first makes use of the work, the digital music provider shall provide statements of
account and pay royalties to such copy-
right owner in accordance with this section
and applicable regulations.

“(iv) If the copyright owner is not
identified or located by the end of the cal-
endar month in which the digital music
provider first makes use of the work, the
digital music provider shall accrue and
hold royalties calculated under the applica-
ble statutory rate in accordance with usage
of the work, from initial use of the work
until the accrued royalties can be paid to
the copyright owner or are required to be
transferred to the mechanical licensing col-
lective, as follows:

“(I) Accrued royalties shall be
maintained by the digital music pro-
vider in accordance with generally ac-
cepted accounting principles.

“(II) If a copyright owner of an
unmatched musical work (or share
thereof) is identified and located by or
to the digital music provider before
the license availability date, the digital
music provider shall—
“(aa) within 45 calendar days after the end of the calendar month during which the copyright owner was identified and located, pay the copyright owner all accrued royalties, such payment to be accompanied by a cumulative statement of account that includes all of the information that would have been provided to the copyright owner had the digital music provider been providing monthly statements of account to the copyright owner from initial use of the work in accordance with this section and applicable regulations, including the requisite certification under subsection (c)(2)(I);

“(bb) beginning with the accounting period following the calendar month in which the copyright owner was identified and located, and for all other accounting periods prior to the license
availability date, provide monthly statements of account and pay royalties to the copyright owner as required under this section and applicable regulations; and

“(cc) beginning with the monthly royalty reporting period commencing on the license availability date, report usage and pay royalties for such musical work (or share thereof) for such reporting period and reporting periods thereafter to the mechanical licensing collective, as required under this subsection and applicable regulations.

“(III) If a copyright owner of an unmatched musical work (or share thereof) is not identified and located by the license availability date, the digital music provider shall—

“(aa) within 45 calendar days after the license availability date, transfer all accrued royalties to the mechanical licensing
collective, such payment to be accompanied by a cumulative statement of account that includes all of the information that would have been provided to the copyright owner had the digital music provider been serving monthly statements of account on the copyright owner from initial use of the work in accordance with this section and applicable regulations, including the requisite certification under subsection (c)(2)(I), and accompanied by an additional certification by a duly authorized officer of the digital music provider that the digital music provider has fulfilled the requirements of clauses (i) and (ii) of subparagraph (B) but has not been successful in locating or identifying the copyright owner; and

“(bb) beginning with the monthly royalty reporting period
commencing on the license availability date, report usage and pay royalties for such musical work (or share thereof) for such period and reporting periods thereafter to the mechanical licensing collective, as required under this subsection and applicable regulations.

“(v) Suspension of Late Fees.—A
digital music provider that complies with the requirements of this paragraph with respect to unmatched musical works (or shares of works) shall not be liable for or accrue late fees for late payments of royalties for such works until such time as the digital music provider is required to begin paying monthly royalties to the copyright owner or the mechanical licensing collective, as applicable.

“(C) Adjusted Statute of Limitations.—Notwithstanding anything to the contrary in section 507(b), with respect to any claim of infringement of the exclusive rights provided by paragraphs (1) and (3) of section
106 against a digital music provider arising from the unauthorized reproduction or distribution of a musical work by such digital music provider to engage in covered activities that accrued no more than 3 years prior to the license availability date, such action may be commenced within 3 years of the date the claim accrued, or up to 2 years after the license availability date, whichever is later.

“(D) Other rights and remedies preserved.—Except as expressly provided in this paragraph, nothing in this paragraph shall be construed to alter, limit, or negate any right or remedy of a copyright owner with respect to unauthorized use of a musical work.

“(E) Remedy in federal district court.—A person may bring a claim in a Federal district court of competent jurisdiction for an issue that is not adequately resolved by the board of directors or a committee of the mechanical licensing collective, as applicable.

“(11) Legal protections for licensing activities.—

“(A) Exemption for compulsory license activities.—The antitrust exemption
described in subsection (c)(1)(D) shall apply to negotiations and agreements between and among copyright owners and persons entitled to obtain a compulsory license for covered activities, and common agents acting on behalf of such copyright owners or persons, including with respect to the administrative assessment established under this subsection.

“(B) LIMITATION ON COMMON AGENT EXEMPTION.—Notwithstanding the antitrust exemption provided in subsection (c)(1)(D) and subparagraph (A) (except for the administrative assessment referenced therein and except as provided in paragraph (8)(C)), neither the mechanical licensing collective nor the digital licensee coordinator shall serve as a common agent with respect to the establishment of royalty rates or terms under this section.

“(C) ANTITRUST EXEMPTION FOR ADMINISTRATIVE ACTIVITIES.—Notwithstanding any provision of the antitrust laws, copyright owners and persons entitled to obtain a compulsory license under this section may designate the mechanical licensing collective to administer voluntary licenses for the reproduction or distribu-

“(i) Each copyright owner shall establish the royalty rates and material terms of any such voluntary license individually and not in agreement, combination, or concert with any other copyright owner.

“(ii) Each person entitled to obtain a compulsory license under this section shall establish the royalty rates and material terms of any such voluntary license individually and not in agreement, combination, or concert with any other digital music provider.

“(iii) The mechanical licensing collective shall maintain the confidentiality of the voluntary licenses in accordance with the confidentiality provisions prescribed by the Register of Copyrights under paragraph (12)(C).

“(D) LIABILITY FOR GOOD-FAITH ACTIVITIES.—The mechanical licensing collective shall not be liable to any person or entity based on a claim arising from its good-faith administra-
tion of policies and procedures adopted and im-
plemented to carry out the responsibilities de-
scribed in subparagraphs (J) and (K) of para-
graph (3), except to the extent of correcting an
underpayment or overpayment of royalties as
provided in paragraph (3)(L)(i)(VI), but the
collective may participate in a legal proceeding

subparagraph, ‘good-faith administration’
means administration in a manner that is not

“(12) REGULATIONS.—

“(A) ADOPTION BY REGISTER OF COPY-
RIGHTS AND COPYRIGHT ROYALTY JUDGES.—

“(13) Savings clauses.—

“(A) Limitation on activities and rights covered.—This subsection applies solely to uses of musical works subject to licensing under this section. The blanket license shall not be construed to extend or apply to activities other than covered activities or to rights other than the exclusive rights of reproduction and distribution licensed under this section, or serve or act as the basis to extend or expand the compulsory license under this section to activities and rights not covered by this section on the enactment date.

“(B) Rights of public performance not affected.—The rights, protections, and immunities granted under this subsection, the data concerning musical works collected and made available under this subsection, and the definitions described in subsection (e) shall not extend to, limit, or otherwise affect any right of public performance in a musical work.”; and

SEC. 103. AMENDMENTS TO SECTION 114.

(a) Uniform Rate Standard.—Section 114(f) of title 17, United States Code, is amended—

(1) by striking paragraphs (1) and (2) and inserting the following:

“(1)(A) Proceedings under chapter 8 shall determine reasonable rates and terms of royalty payments for transmissions subject to statutory licensing under subsection (d)(2) during the 5-year period beginning on January 1 of the second year following the year in which the proceedings are to be com-
menced pursuant to subparagraph (A) or (B) of section 804(b)(3), as the case may be, or such other period as the parties may agree. The parties to each proceeding shall bear their own costs.

“(B) The schedule of reasonable rates and terms determined by the Copyright Royalty Judges shall, subject to paragraph (2), be binding on all copyright owners of sound recordings and entities performing sound recordings affected by this paragraph during the 5-year period specified in subparagraph (A), or such other period as the parties may agree. Such rates and terms shall distinguish among the different types of services then in operation and shall include a minimum fee for each such type of service, such differences to be based on criteria including the quantity and nature of the use of sound recordings and the degree to which use of the service may substitute for or may promote the purchase of phonorecords by consumers. The Copyright Royalty Judges shall establish rates and terms that most clearly represent the rates and terms that would have been negotiated in the marketplace between a willing buyer and a willing seller. In determining such rates and terms, the Copyright Royalty Judges—
“(i) shall base their decision on economic, competitive, and programming information presented by the parties, including—

“(I) whether use of the service may substitute for or may promote the sales of phonorecords or otherwise may interfere with or may enhance the sound recording copyright owner’s other streams of revenue from the copyright owner’s sound recordings; and

“(II) the relative roles of the copyright owner and the transmitting entity in the copyrighted work and the service made available to the public with respect to relative creative contribution, technological contribution, capital investment, cost, and risk; and

“(ii) may consider the rates and terms for comparable types of audio transmission services and comparable circumstances under voluntary license agreements.

“(C) The procedures under subparagraphs (A) and (B) shall also be initiated pursuant to a petition filed by any sound recording copyright owner or any transmitting entity indicating that a new type of
service on which sound recordings are performed is
or is about to become operational, for the purpose
of determining reasonable terms and rates of royalty
payments with respect to such new type of service
for the period beginning with the inception of such
new type of service and ending on the date on which
the royalty rates and terms for eligible nonsubscription
services and new subscription services, or preexisting services, as the case may be, most recently
determined under subparagraph (A) or (B) and
chapter 8 expire, or such other period as the parties
may agree.”; and

(2) by redesignating paragraphs (3), (4), and

(e) USE IN SOUND RECORDING PROCEEDINGS.—The repeal of section 114(i) of title 17, United States Code, by subsection (b) shall not be taken into account in any proceeding to set or adjust the rates and fees payable for the use of sound recordings under section 112(e) or section 114(f) of such title that is pending on, or commenced on or after, the date of the enactment of this Act.

(f) DECISIONS AND PRECEDENTS NOT AFFECTED.—The repeal of section 114(i) of title 17, United States Code, by subsection (b) shall not have any effect upon the decisions, or the precedents established or relied upon, in any proceeding to set or adjust the rates and fees payable for the use of sound recordings under section 112(e) or section 114(f) of such title before the date of the enactment of this Act.

for any performing rights society consent

Such application shall be referred to the judge to whom continuing jurisdiction over the applicable consent decree is currently assigned. If any such application is made in connection with a rate proceeding, such rate proceeding shall be stayed until the final determination of the construction application. fixed on or after February 15, 1972, by means of
digital audio transmissions subject to section 114;

“(2) the transmission would satisfy the require-

relevant sound recordings in the same manner as is
required by regulations adopted by the Copyright
Royalty Judges for sound recordings fixed on or
after February 15, 1972; and

collective to be appropriate, for acceptance of
instructions from an artist payee identified
under subparagraph (A) or (D) of paragraph
(2) to distribute, to a producer, mixer, or sound
engineer who was part of the creative process
that created a sound recording, a portion of the
payments to which the artist payee would other-
wise be entitled from the licensing of trans-
missions of the sound recording. In this section,
such instructions shall be referred to as a ‘letter
of direction’.

“(B) ACCEPTANCE OF LETTER.—To the
extent that the collective accepts a letter of di-
rection under subparagraph (A), the person en-
titled to payment pursuant to the letter of direction shall, during the period in which the letter of direction is in effect and carried out by the collective, be treated for all purposes as the owner of the right to receive such payment, and the artist payee providing the letter of direction to the collective shall be treated as having no interest in such payment.

“(C) AUTHORITY OF COLLECTIVE.—This paragraph shall not be construed in such a manner so that the collective is not authorized to accept or act upon payment instructions in circumstances other than those to which this paragraph applies.”.

“(6) SOUND RECORDINGS FIXED BEFORE NOVEMBER 1, 1995.—

“(A) PAYMENT ABSENT LETTER OF DIRECTION.—A nonprofit collective designated by the Copyright Royalty Judges to distribute receipts from the licensing of transmissions in ac-
cordance with subsection (f) (in this paragraph referred to as the ‘collective’) shall adopt and reasonably implement a policy that provides, in circumstances determined by the collective to be appropriate, for the deduction of 2 percent of all the receipts that are collected from the licensing of transmissions of a sound recording fixed before November 1, 1995, but which is withdrawn from the amount otherwise payable under paragraph (2)(D) to the recording artist or artists featured on the sound recording (or the persons conveying rights in the artists’ performance in the sound recording), and the distribution of such amount to one or more persons described in subparagraph (B), after deduction of costs described in paragraph (3) or (4), as applicable, if each of the following requirements is met:

“(i) Certification of Attempt to Obtain a Letter of Direction.—The person described in subparagraph (B) who is to receive the distribution has certified to the collective, under penalty of perjury, that—
“(I) for a period of at least 4 months, that person made reasonable efforts to contact the artist payee for such sound recording to request and obtain a letter of direction instructing the collective to pay to that person a portion of the royalties payable to the featured recording artist or artists; and

“(II) during the period beginning on the date that person began the reasonable efforts described in subclause (I) and ending on the date of that person’s certification to the collective, the artist payee did not affirm or deny in writing the request for a letter of direction.

“(ii) Collective attempt to contact artist.—After receipt of the certification described in clause (i) and for a period of at least 4 months before the collective’s first distribution to the person described in subparagraph (B), the collective attempted, in a reasonable manner as determined by the collective, to notify the
artist payee of the certification made by
the person described in subparagraph (B).

“(iii) NO OBJECTION RECEIVED.—The
artist payee did not, as of the date that is
10 business days before the date on which
the first distribution is made, submit to
the collective in writing an objection to the
distribution.

“(B) ELIGIBILITY FOR PAYMENT.—A per-
son shall be eligible for payment under subpara-
graph (A) if the person—

“(i) is a producer, mixer, or sound en-
gineer of the sound recording;

“(ii) has entered into a written con-
tract with a record company involved in
the creation or lawful exploitation of the
sound recording, or with the recording art-
ist or artists featured on the sound record-
ing (or the persons conveying rights in the
artists’ performance in the sound record-
ing), under which the person seeking pay-
ment is entitled to participate in royalty
payments that are based on the exploi-
tation of the sound recording and are pay-
able from royalties otherwise payable to
the recording artist or artists featured on
the sound recording (or the persons con-
veying rights in the artists’ performance in
the sound recording);

“(iii) made a creative contribution to
the creation of the sound recording; and

“(iv) submits a written certification to
the collective stating, under penalty of per-
jury, that the person meets the require-
ments in clauses (i) through (iii) and in-
cludes a true copy of the contract de-
scribed in clause (ii).

“(C) MULTIPLE CERTIFICATIONS.—Sub-
ject to subparagraph (D), in a case in which
more than one person described in subpara-
graph (B) has met the requirements for a dis-
tribution under subparagraph (A) with respect
to a sound recording as of the date that is 10
business days before the date on which a dis-
tribution is made, the collective shall divide the
2 percent distribution equally among all such
persons.

“(D) OBJECTION TO PAYMENT.—Not later
than 10 business days after the date on which
the collective receives from the artist payee a
written objection to a distribution made pursuant to subparagraph (A), the collective shall cease making any further payment relating to such distribution. In any case in which the collective has made one or more distributions pursuant to subparagraph (A) to a person described in subparagraph (B) before the date that is 10 business days after the date on which the collective receives from the artist payee an objection to such distribution, the objection shall not affect that person’s entitlement to any distribution made before the collective ceases such distribution under this subparagraph.

“(E) OWNERSHIP OF THE RIGHT TO RECEIVE PAYMENTS.—To the extent that the collective determines that a distribution will be made under subparagraph (A) to a person described in subparagraph (B), such person shall, during the period covered by such distribution, be treated for all purposes as the owner of the right to receive such payments, and the artist payee to whom such payments would otherwise be payable shall be treated as having no interest in such payments.
“(F) ARTIST PAYEE DEFINED.—In this paragraph, the term ‘artist payee’ means a person, other than a person described in subparagraph (B), who owns the right to receive all or part of the receipts payable under paragraph (2)(D) with respect to a sound recording. In a case in which there are multiple artist payees with respect to a sound recording, an objection by one such payee shall apply only to that payee’s share of the receipts payable under paragraph (2)(D), and does not preclude payment under subparagraph (A) from the share of an artist payee that does not so object.”.
